

Voluntary Confinement

Process Application for Voluntary Confinement

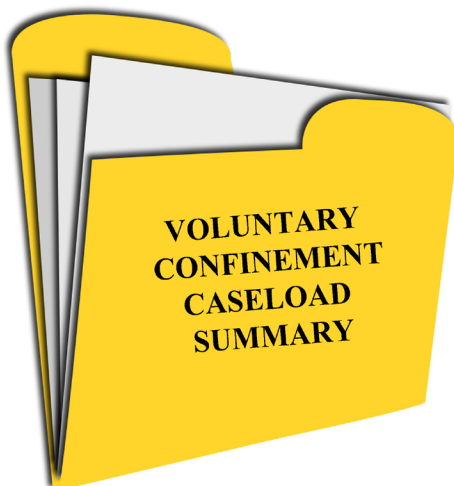

Objective:

To process and verify applications for voluntary confinement

Scope and Beneficiaries:

All those drug dependents who are discharged as rehabilitated by the Department of Health-Accredited Center through the voluntary submission program, but do not qualify for exemption from criminal liability under Section 55 of Republic Act No. 9165.

This task involves the processing and verification of applicants for voluntary confinement. It also incorporates the processing of petitions for voluntary confinement filed in Court.

- No. of applicants given application*
- No. of verified applications received*
